January 2017

Hello Ladies

Christmas is over, the decorations are looking a little tired and it is time to stop eating and drinking. This means only one thing, the New Year is around the corner and it is time to start thinking of new projects. I do hope you have all had a very happy Christmas and are looking forward to a new year with fresh beginnings.

I do hope you enjoyed the December meeting when we had our party. As always you all came up trumps with the wonderful array of goodies you brought for our refreshments. Penny brought with her a reindeer you could make in a variety of positions and attach onto a bag or whatever you fancy. Thank you Penny for a fun project. Do remember that if you finish this it could become part of display for the exhibition in March, along with all the other projects we have done over the last three years.

Talking of the exhibition it is now really not long to go before we put on another spectacular show. It is time to be thinking of finishing off those projects and getting them ready to hang. Don't forget about the hanging sleeve and label.

The January meeting is on 9th January because of the bank holiday on 2nd. As usual for the first meeting of the year we will be having our four corners. There will be a selection of techniques and ideas to learn so do come along and share.

One last plug for the exhibition, I do hope you have the date in your diary, 18th and 19th March. I will be sending out lists soon asking for volunteers to do stewarding, refreshments, manning the raffles and other duties. The exhibition can only take place with plenty of help to make it run smoothly. Also don't forget there will be a sales table so I hope you are making items for this too.

I wish you all a Very Happy New Year. I will leave you in the very capable hands of the committee as I will be completely out of it on 9th January having just had my hip replacement that day. I look forward to seeing you in February when I hope to be skipping again, maybe not!
